FORM 'G'.

(See Rule 52).

Form of Report of Strike or Lock-out in a public utility service.

Information to be supplied in this Form immediately on the occurrence of a strike or lock-out in a public utility service to the Conciliation Officer concerned.

Name of the undertaking	Station and District	Normal working strength	Nuuber of workers involved		Strike or lock-out	Date of commencement of strike or lock-out	Cause	Was notice of strike or lock-out given, if so, on what date and for what period?	Is there any permanent agency or agreement in the undertaking for the settlement of disputes between the employer and workmen? If any exists, particulars thereof	Any other information.
			Directly	Indirectly						
1	2	3	4	5	6	7	8	9	10	11

NOTE.—Column (3) Gives the average number of workmen employed during the month previous to the day on which the strike or lock-out occurred. While reckoning the average, omit the days on which the attendance was not normal for reason other than individual reasons of particular workmen. Thus days on which strike or lock-out occurs or communal holiday is enjoyed by a large section or workers should be omitted.

Column (4) If say, 200 workers in a factory strike work and in consequence the whole factory employing 1,000 workers has to be closed then 200 should be shown under "directly" and remaining under "indirectly". If the strike of 200 workers does not affect the working of the other departments of the factory, the number of workers of involved would only be 200, which figures should appear under "directly" and column "indirectly" would be blank.

Column (8) Gives the main causes of the dispute as well as the immediate cause that lead to the strike or lock-out.
